Dear CPA Branch and Regional Secretaries

Re: Commonwealth Parliamentary Association (CPA): *The Parliamentarian* 2017: Issue Three

I am writing to you regarding the quarterly journal of the Commonwealth Parliamentary Association, *The Parliamentarian* and to invite your Members to contribute to the forthcoming issue of this publication.

Do you have a Member of your Parliament or Legislature who would like to contribute an article to *The Parliamentarian* that will reach Commonwealth Parliamentarians and Parliamentary staff across the CPA network? Do your Members wish to highlight the work that they are doing in Parliament and share their experiences with over 17,000 Members across the Commonwealth?

If any of your Members of Parliament are interested in contributing an article to the next issue then the copy deadlines and suggested themes for the upcoming issues are:

- ***The Parliamentarian 2017: Issue Three*** – articles sought on Small Branches and the differing role of Parliamentarians in Small States and the issues affecting Small Branches / Ethics & Discipline in Parliaments - CPA Democratic Benchmarks / Progressing democracy in fragile states plus any other issues or topics that Members would like to feature – **copy deadline: Monday 31 July 2017**

The themes above are a guide only and if there are other issues or themes on which a Member wishes to contribute then all contributions are welcome. If your Members have an alternative topic on which they would like to submit an article then do please also let me know. Articles need to be between 1,500 and 2,500 words and be accompanied by the contributor's brief biography and a high resolution portrait image of the Member.

For publication in *The Parliamentarian*, the completed article, along with the contributor's brief biography and a portrait image, would need to be sent as an attachment to jh@cpahq.org by the copy deadline.

The latest issue of *The Parliamentarian* 2017: Issue Two has just been published and printed copies will be on their way to CPA Branches and Members very soon.

I very much hope your Branch will be able to contribute an article and if you have any questions about the publication then please do contact me.

Yours sincerely,
Jeffrey
